Fraternal Greetings from the East!

It's wonderful to report that our last special communication was a resounding success. We were honored to hear a message from our Grand Master, as well as inspiring words from our District Deputy Grand Master. The event was also a great opportunity for our Grand Staff Officer and Assistant Grand Lecturers to share valuable guidance and techniques to enhance our district and subordinate lodges. It was heartwarming to see brothers from neighboring districts and lodges in attendance, offering their support to Carpenter Emmanuel Lodge.

One of the key highlights for this year will undoubtedly be traveling in our district, neighboring districts as well as those in other jurisdictions. We're eager to facilitate connections between brothers across different lodges. If you have plans to visit other lodges or know of events they're hosting, please don't hesitate to reach out to our secretary or myself. By sharing this information, we can coordinate group travel and embody the spirit of brotherly love that defines our fraternity.

Please mark your calendars for November 18th, when we'll be hosting our annual "Brother, Bring a Friend Night". This year, we're excited to celebrate with a Caribbean-themed festive board. We'll also feature a thought-provoking lecture by Very Worshipful William Flores, an esteemed brother of our lodge and one of the assistant grand lecturers. We're counting on your support to make this event a success, so please bring at least two Brothers or friends that might have an interest in masonry to join us for the evening.

In October, we'll be dedicating our communication to reviewing revisions to our bylaws. All dues-paying members are warmly invited to attend and contribute to the discussion. Following the meeting, we'll also hold a rehearsal for our upcoming Entered Apprentice degree which will be stated for December 16th.

While life's demands can sometimes make it challenging to attend every meeting, we urge all brothers to remain actively engaged in the growth and development of your

To stay connected and informed about future events, we've created a WhatsApp group where brothers can discuss topics of interest and share updates. If you'd like to join, please reach out to our secretary or myself, and we'll ensure you're added to the group. There is also a website www.celodge588.com. which is packed full of useful information pertaining to our lodge. Please sign up!

Until our next meeting, I wish you and your loved ones peace, love, and protection under the guidance of the Great Architect of the Universe. May our bond of brotherhood continue to flourish, and may we emerge stronger and more united with each passing day

Fraternally
